

Disc Golf Project Proposal

Summary Information

Where people were from

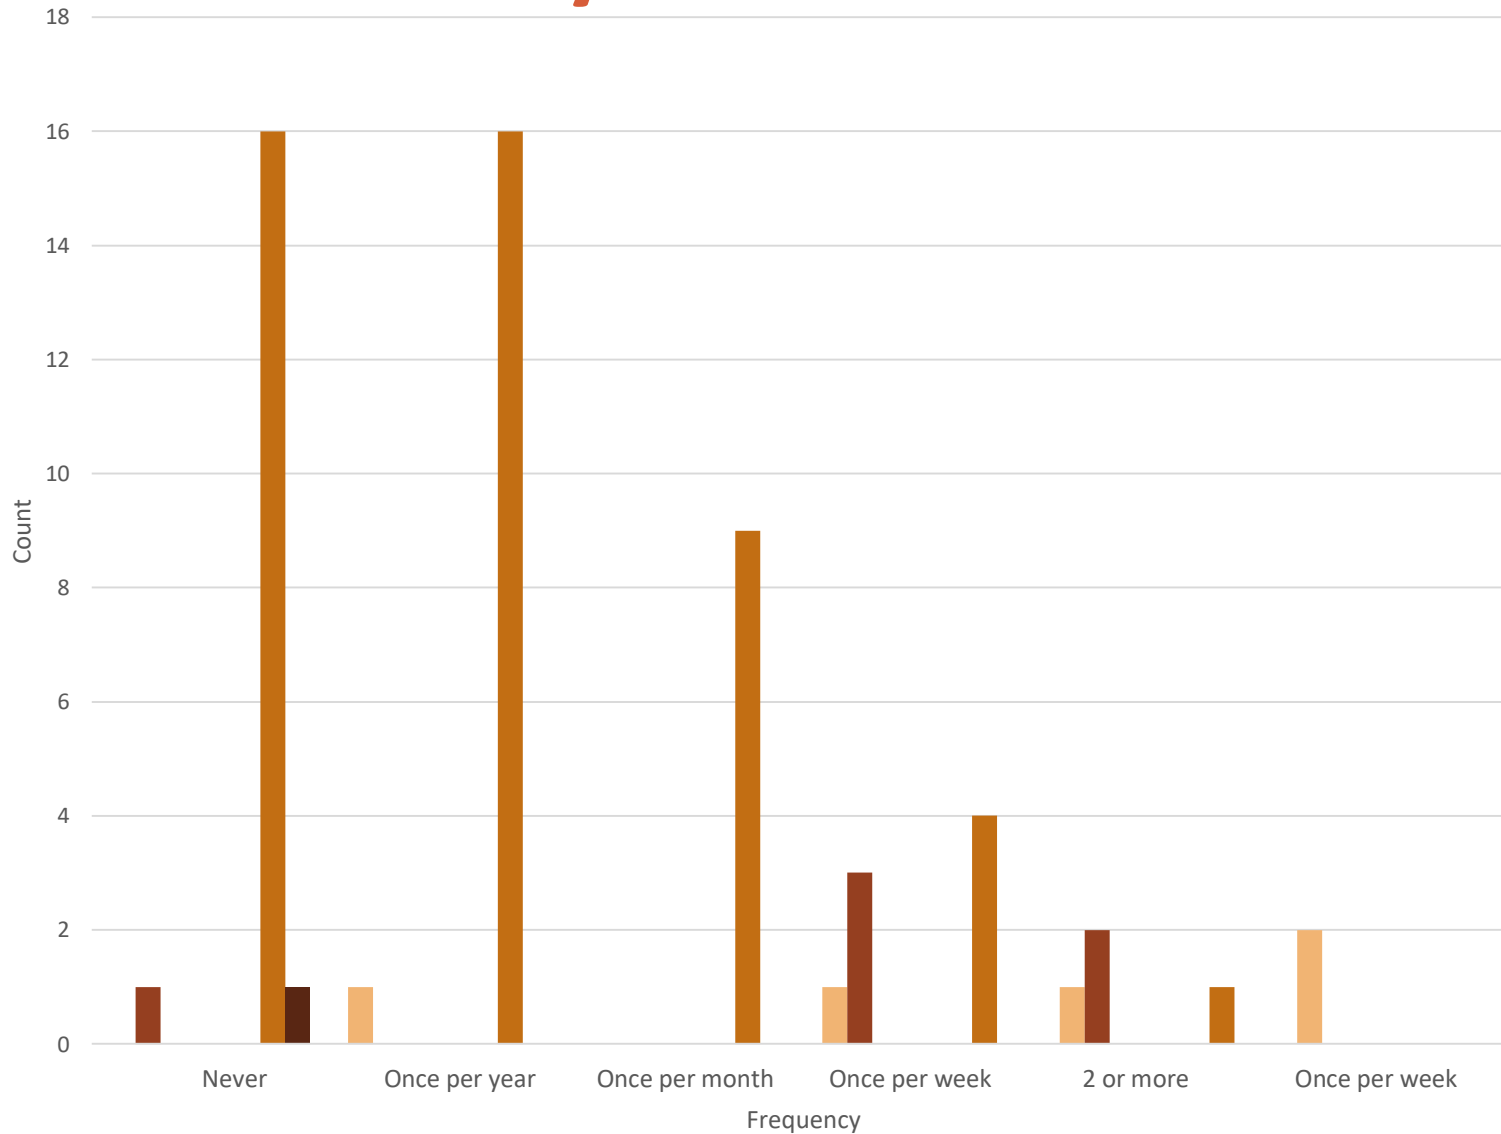

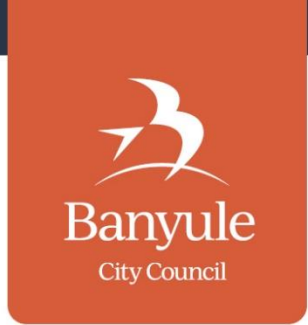

Banyule Residents

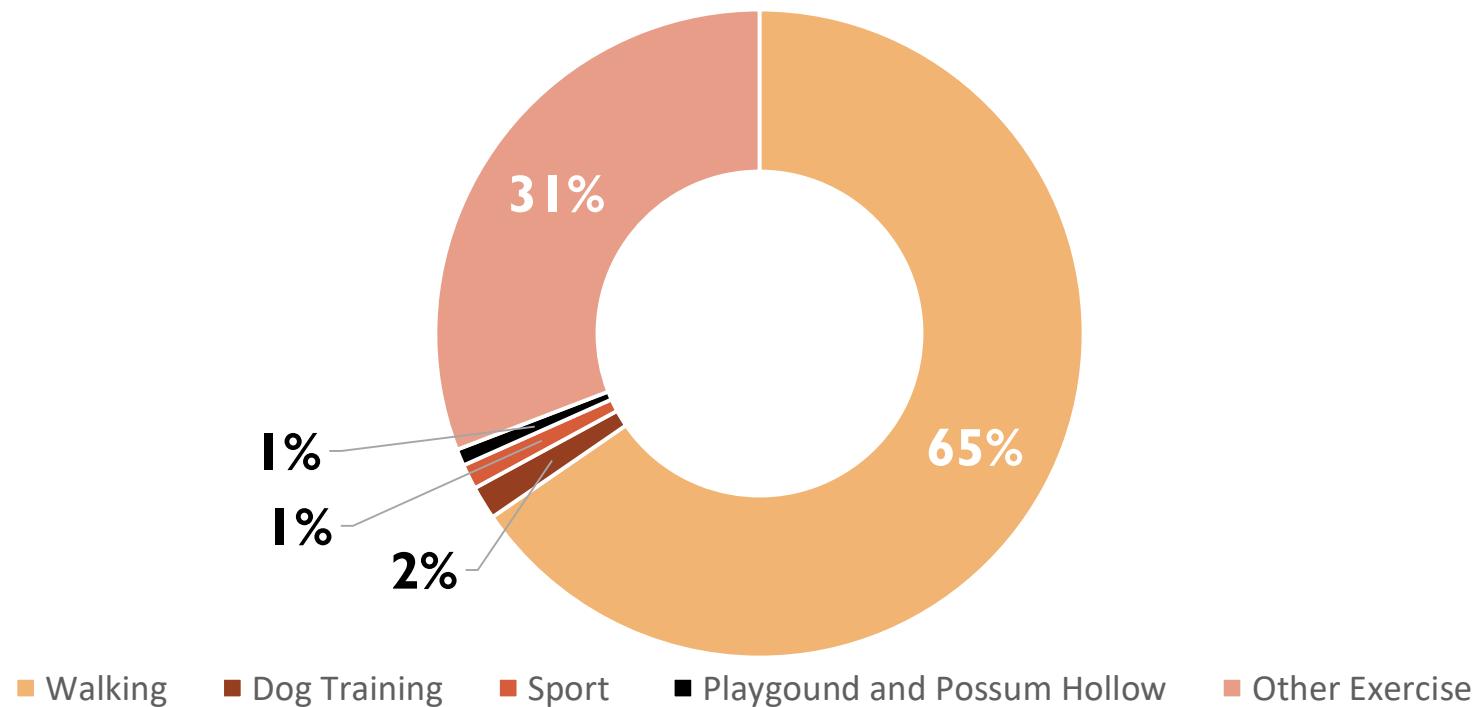

- I don't support disc golf at Warringal Park or anywhere in Banyule.
- I am supportive of the activity being in Warringal Park with a course design re-assessment or change.
- Other.
- I am supportive of a trial period for the activity.
- Can't say.
- I am undecided.
- I support disc golf at Warringal Park.
- I support disc golf but would like to see it somewhere other than Warringal Park.

Outside Banyule

- I don't support disc golf at Warringal Park or anywhere in Banyule.
- I am supportive of the activity being in Warringal Park with a course design re-assessment or change.
- Other.
- Can't say.
- I am undecided.
- I support disc golf but would like to see it somewhere other than Warringal Park.
- I support disc golf at Warringal Park.
- I am supportive of a trial period for the activity.

Primary Purpose for Attending Warringal Park

Commentary

Walking

157 people said walking or strolling and dog walking.

Exercise

74 People said they mainly attend Warringal Park to exercise this includes things like:
Bike riding, cycling, connecting to nature, meditation, parkrun, general recreation

Dog Training

People said they mainly attend Warringal Park to do dog training and attend puppy school

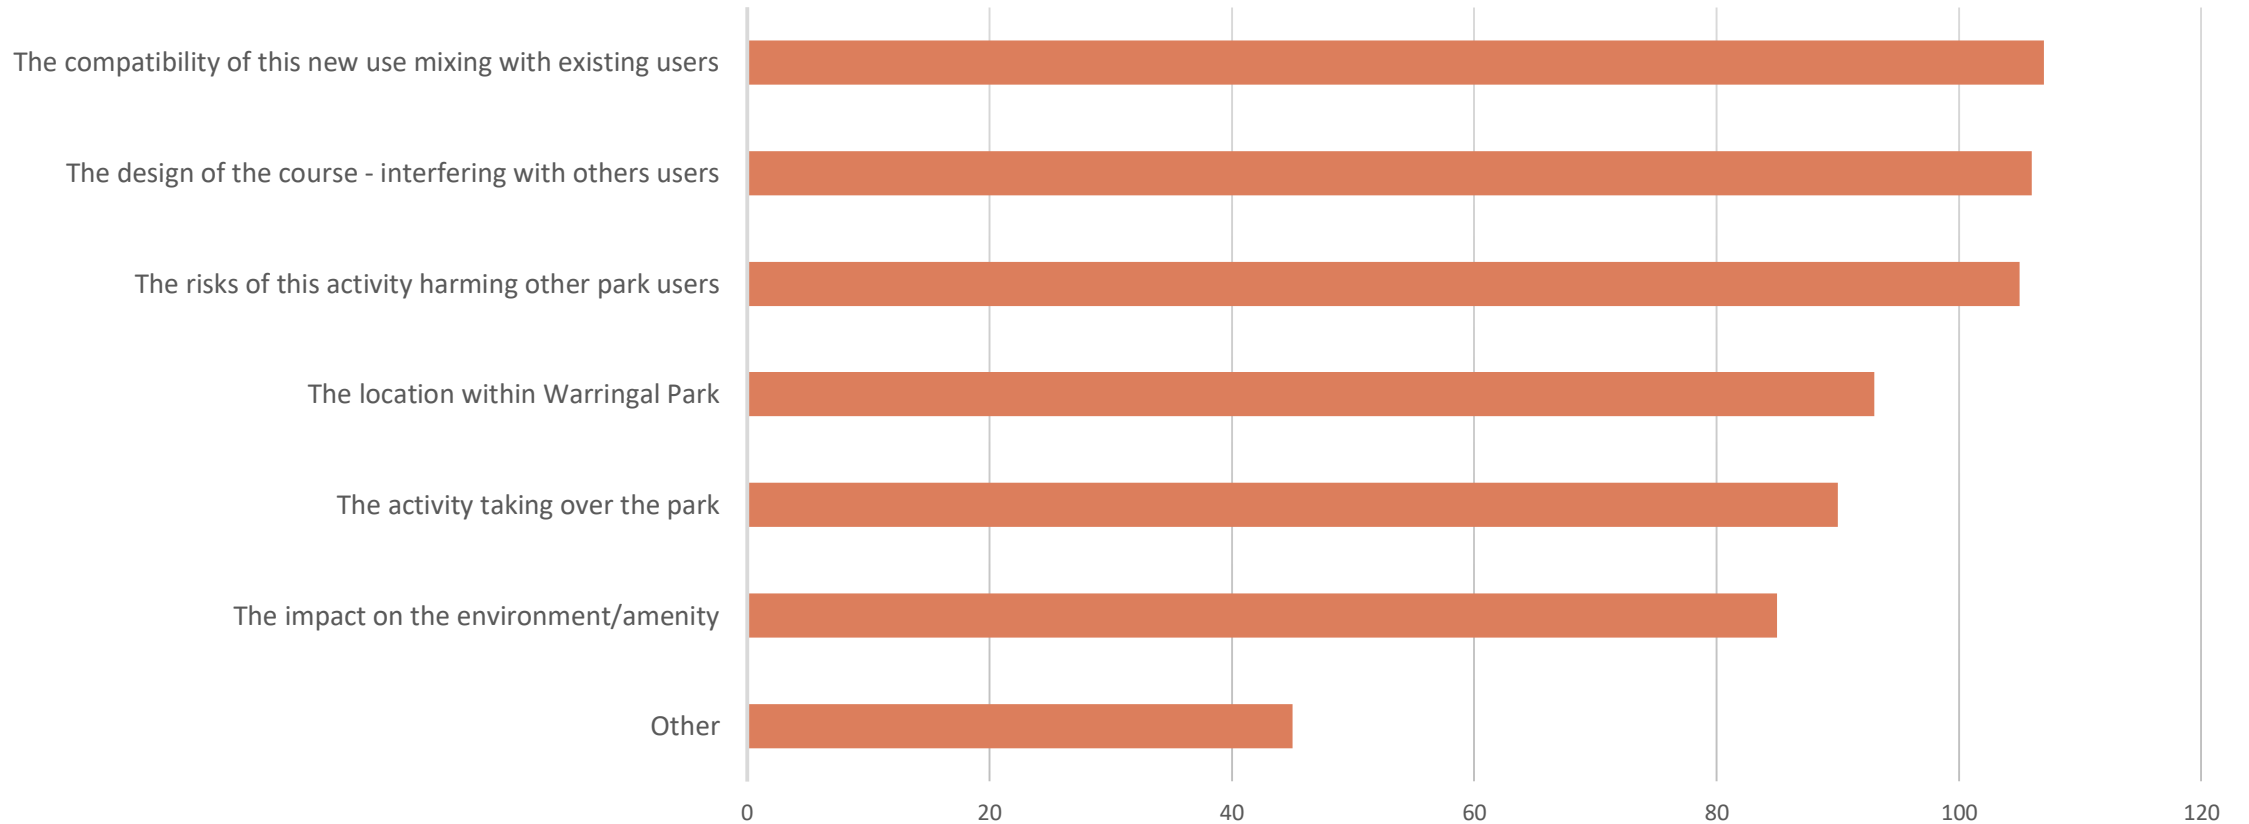

Sport

People said they mainly attend Warringal Park to play sport, including things like cricket, watch junior football, and bird watching

Playground and Possum Hollow

People said they mainly attend Warringal Park for the playground facilities

What are the primary concerns

	Other	The impact on the environment/amenity	The activity taking over the park	The location within Warringal Park	The risks of this activity harming other park users	The design of the course - interfering with others users	The compatibility of this new use mixing with existing users
Series1	45	85	90	93	105	106	107

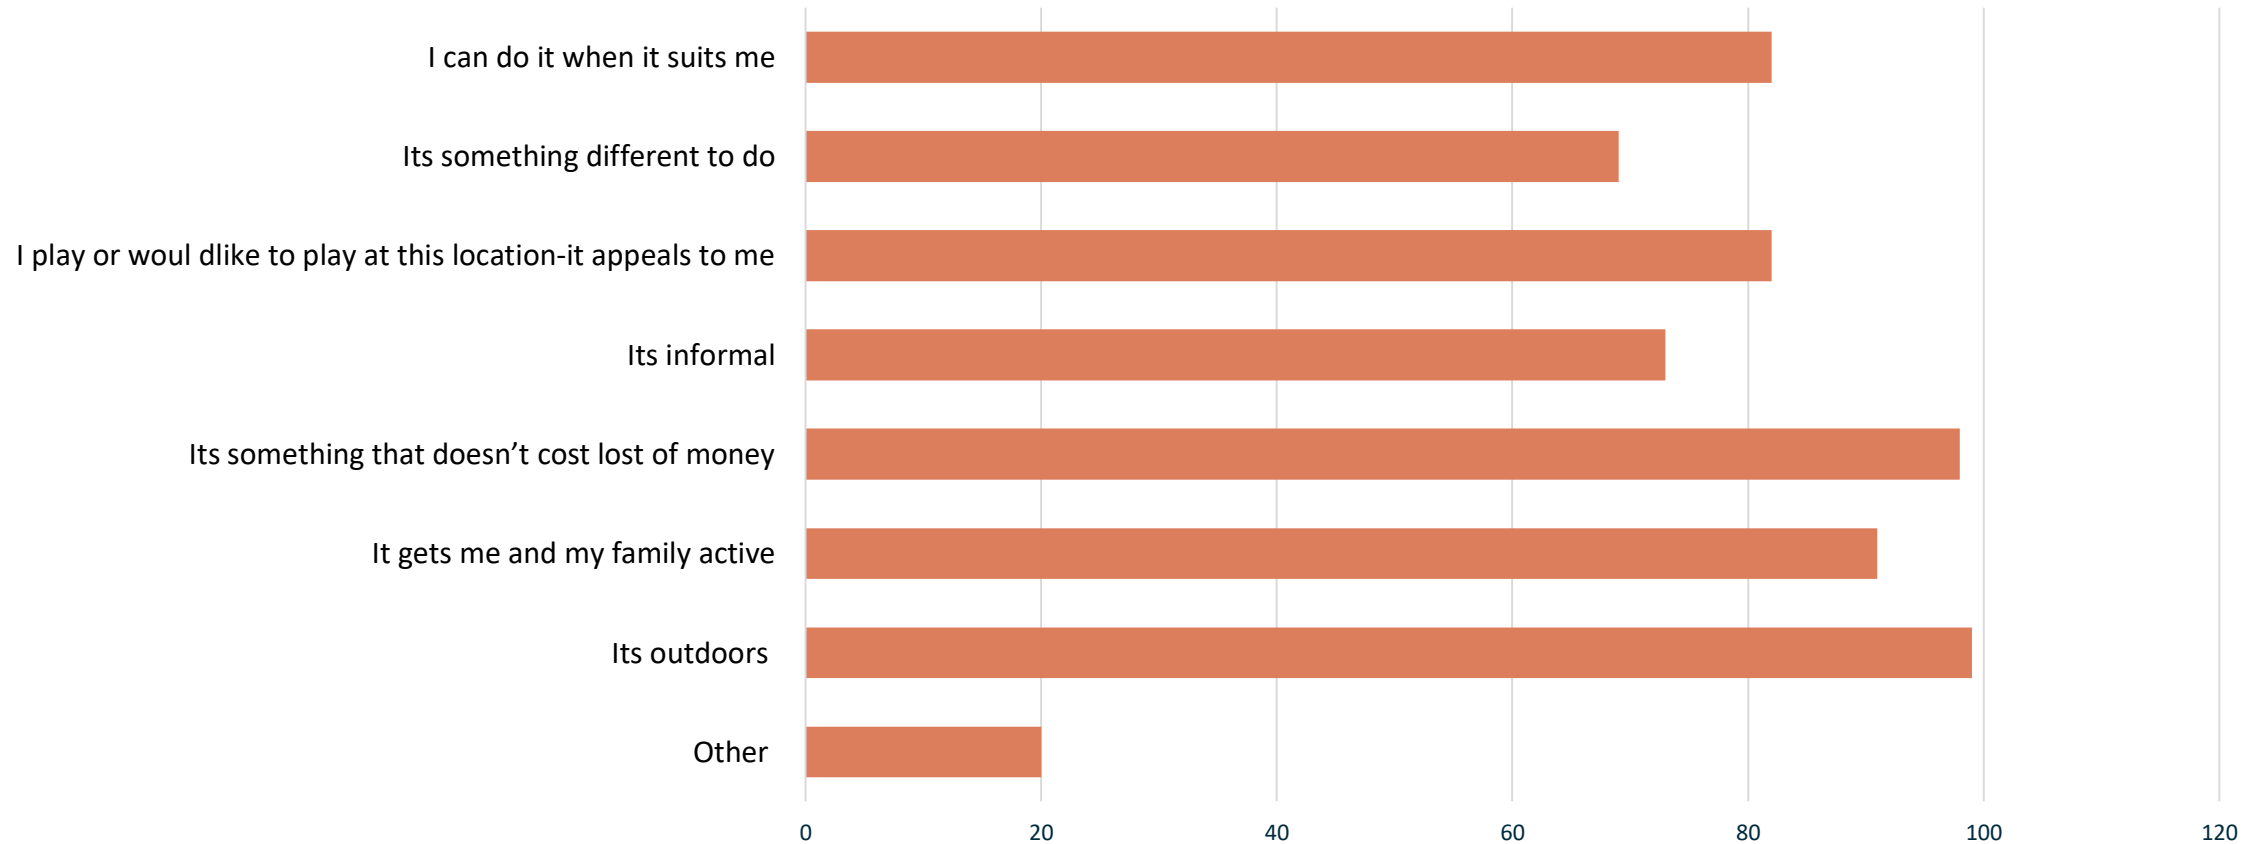

Commentary

Other:

- Worried about vandalism and damage
- Course too close to trail
- It will increase parking problems
- Environmental factors
- It's a dangerous sport
- Risk of injury
- Noise
- Worried about tournaments
- There is already a course
- Private company partnering
- Its ugly

What you said you liked about the proposal

	Other	Its outdoors	It gets me and my family active	Its something that doesn't cost a lot of money	Its informal	I play or would like to play at this location-it appeals to me	Its something different to do	I can do it when it suits me
Series1	20	99	91	98	73	82	69	82

Questions from the Consultation Forum

Provide further data breakdown of Banyule and non Banyule residents and park usage responses.

Breakdown provided above.

If someone gets hit in the head with a disc who covers the insurance.

As the proposed location is Warringal Park and Council would be implementing the course Council would handle any insurance claims as we would any other injury in the parklands.

What other locations were investigated?

Other locations investigated were

- Price Park
- Rosanna Parklands
- Poulter reserve

Why do we have to have concrete pads at the bottom of the baskets?

This is for the safety and longevity of the basket. Council has asked RAD Creations if there would be other safe alternatives. This information will be provided in the full report, available in July.

How many objection emails has Council received since the Disc Golf proposal was suggested

Council has received 57 objection emails including the community objection from the 'Come and Try' day in March 2021 and 3 emails of support. The verbatim comments are being analysed from the entire consultation process and will be provided in the full report available from July 28, 2021.
