

## 6.16 MAROONDAH AQUEDUCT TRAIL

### Trail information

**Length:** 24.1km  
**SCC:** No

### Location:

This trail runs in an east west direction from the Diamond Creek Trail in Greensborough in the west to the Sugarloaf Reservoir in the east.

### Local Government Area:

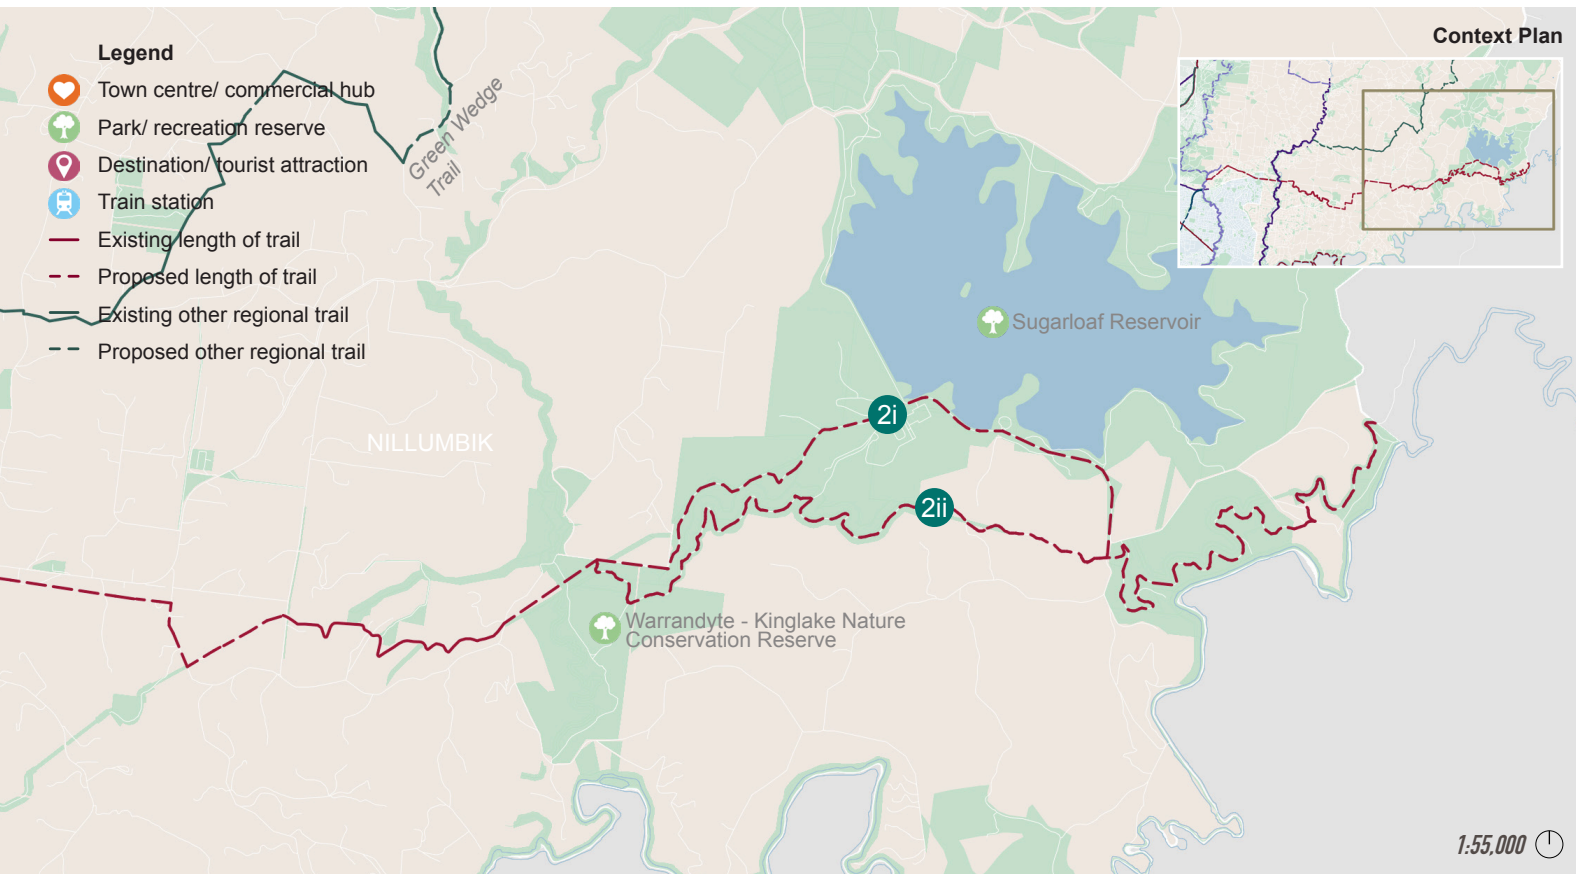

Banyule, Nillumbik

### Additional Stakeholders:

Melbourne Water, Parks Victoria, VicRoads

### Auditor comments:

“A very pleasant trail that has mostly a neutral gradient, marred only by very steep access at the west end and a busy main road at the east end.”

### Priority Actions

- 1 Construct new section of trail connecting the Plenty River Trail near Lear Court, east along the aqueduct across Diamond Creek Road to the Diamond Creek Trail at Allendale Road.
- 2 Extend the Maroondah Aqueduct Trail through to Yarra Glen. Two options have been identified for this extension:
  - 2i Construct a new section of trail from the existing Aqueduct Trail at Calwell Road through to Ashmore Road and on to Yarra Glen; or
  - 2ii Construct a new section of trail from the existing Aqueduct Trail at Calwell Road via the Melbourne Water Caretakers trail to Ashmore Road and on to Yarra Glen.
- 3 Construct new section of trail from existing Aqueduct Trail at Main Road. New trail to head south east to cross over Bells Hill Road, continuing east then north to meet to Eltham-Yarra Glen Road. Head east along Eltham-Yarra Glen Road, north alongside New Road, then east alongside Donaldson Road. The trail then continues north alongside Eltham-Yarra Glen Road before turning south alongside Henley Road where it will connect with the existing Aqueduct Trail.
- 4 Extend the trail west from Godber Road to connect to the Diamond Creek Trail
- 5 Provide wayfinding signage along the length of the trail
- 6 Realign section of trail either side of Afton Street to reduce grade
