

North Precinct

Greensborough

What does our community look like?*

*Sourced from Profile .id using ABS Census 2021 - <https://profile.id.com.au/banyule>
**The ABS Census 2021 collected information relating to sex but not gender. We recognise that this is a significant data gap and the use of sex data can exclude people who identify as a gender other than the sex assigned at birth.
***Sourced from Socio-Economic Indexes for Areas (SEIFA), Australia, ABS 2021

What's important to our community?*

Top three livability priorities by importance

*Sourced from Living in Place Survey (profile .id) <https://profile.id.com.au/banyule>

Top concerns and issues by importance

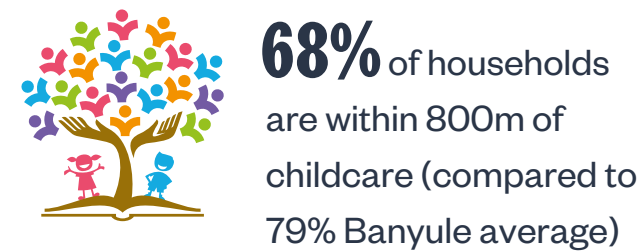

“Good facilities that accommodate people that are less well off, hence lowers incentive for crime”
Community Survey respondent, 2023

Higher proportion saying they don't participate in any form of physical activity (39%, compared to 30% Banyule average)

Decline in full time employment (from 39% in 2011 to 37% in 2021)

Lower instance of social infrastructure close to home (no cultural facility within 3.2km and only 4% within 1km of a library)
