

# Appendix 1

Biodiversity Strategy 2025-2035

Banyule's Recorded Flora and Fauna

## Banyule's Indigenous Flora Records

## Recorded Indigenous and Naturalised Species in Banyule

*Practical Ecology – Biodiversity Benchmarking Report, March 2024 and internal review collaboration.*

These records were taken from the Victorian Biodiversity Atlas (VBA) Records (1980 – present day) and records compiled from Karl Just Management Plans, Vegetation Surveys, Cam Beardsell's Vegetation Communities of Banyule (2011) and Doug Frood Management Plan Species lists.

### Origin

**\***= Exotic Species

**#**= Native species extended beyond its natural range

### EPBC Act 1999

**EX:** Extinct, **CR:** Critically Endangered, **EN:** Endangered, **VU:** Vulnerable and **CD:** Conservation Dependant

### FFG Act 1998 (2020 updated status)

**Cd:** Conservation Dependant, **Cr:** Critically endangered, **En:** Endangered, **Ex:** Extinct, **Th:** Threatened, **Vu:** Vulnerable **En (Ex):** Endangered (Extinct in Victoria)

### Banyule Status (Beardsell 2011)

**1** – Observed over the last fifteen years and assumed to currently survive.

**1m** – Considered locally rare or threatened and may not survive beyond the short term unless appropriately managed.

**2** – Formerly recorded but not observed for over five years and currently presumed extinct

**3** – Known only from an introduced population

**4** – No confirmed prior to record but likely occurred as located in similar habitat in surrounding district (within 5 km of municipal boundary)

**5** – No prior record for Banyule of district but known from similar habitat elsewhere in the lowlands of North East Melbourne (small section of species only).

| Family        | Scientific Name                          | Common Name           | Origin | EPBC | FFG | Banyule Status |
|---------------|------------------------------------------|-----------------------|--------|------|-----|----------------|
| Aizoaceae     | <i>Carpobrotus modestus</i>              | Inland Pigface        |        |      |     | 1m             |
| Amaranthaceae | <i>Alternanthera denticulata s.l.</i>    | Lesser Joyweed        |        |      |     | 1              |
| Amaranthaceae | <i>Alternanthera denticulata s.s.</i>    | Lesser Joyweed        |        |      |     | 1              |
| Anthemideae   | <i>Cotula australis</i>                  | Common Cotula         | #      |      |     | 1              |
| Apiaceae      | <i>Centella cordifolia</i>               | Centella              |        |      |     | 1              |
| Apiaceae      | <i>Daucus glochidiatus</i>               | Australian Carrot     |        |      |     | 1              |
| Apiaceae      | <i>Eryngium vesiculosum</i>              | Prickfoot             |        |      |     | 2 (3 4)        |
| Araliaceae    | <i>Hydrocotyle foveolata</i>             | Yellow Pennywort      |        |      |     | 1              |
| Araliaceae    | <i>Hydrocotyle hirta</i>                 | Hairy Pennywort       |        |      |     | 1              |
| Araliaceae    | <i>Hydrocotyle laxiflora</i>             | Stinking Pennywort    |        |      |     | 1              |
| Asteraceae    | <i>Brachyscome multifida</i>             | Cut-leaf Daisy        |        |      |     | 1              |
| Asteraceae    | <i>Cassinia aculeata subsp. aculeata</i> | Common Cassinia       |        |      |     | 1              |
| Asteraceae    | <i>Cassinia longifolia</i>               | Shiny Cassinia        |        |      |     | 1              |
| Asteraceae    | <i>Cassinia sifton</i>                   | Drooping Cassinia     | #      |      |     |                |
| Asteraceae    | <i>Centipeda cunninghamii</i>            | Common Sneezeweed     |        |      |     | 1              |
| Asteraceae    | <i>Centipeda minima s.l.</i>             | Spreading Sneezeweed  |        |      |     | 1              |
| Asteraceae    | <i>Chrysocephalum apiculatum s.s.</i>    | Common Everlasting    |        |      |     | 1m             |
| Asteraceae    | <i>Chrysocephalum semipapposum</i>       | Clustered Everlasting |        |      |     | 1m             |
| Asteraceae    | <i>Coronidium scorpioides s.s.</i>       | Button Everlasting    |        |      |     | 1              |

| Family     | Scientific Name                                 | Common Name                | Origin | EPBC | FFG | Banyule Status |
|------------|-------------------------------------------------|----------------------------|--------|------|-----|----------------|
| Asteraceae | <i>Cymbonotus preissianus</i>                   | Austral Bear's-ear         |        |      |     | 1m             |
| Asteraceae | <i>Euchiton involucratus s.l.</i>               | Common Cudweed             |        |      |     |                |
| Asteraceae | <i>Euchiton involucratus s.s.</i>               | Star Cudweed               |        |      |     | 1              |
| Asteraceae | <i>Euchiton japonicus s.l.</i>                  | Clustered/Creeping Cudweed |        |      |     |                |
| Asteraceae | <i>Euchiton japonicus s.s.</i>                  | Creeping Cudweed           |        |      |     | 1              |
| Asteraceae | <i>Euchiton sphaericus</i>                      | Annual Cudweed             |        |      |     | 1              |
| Asteraceae | <i>Lagenophora gunniana</i>                     | Coarse Bottle-daisy        |        |      |     | 1m             |
| Asteraceae | <i>Laphangium luteoalbum</i>                    | Jersey Cudweed             |        |      |     | 1              |
| Asteraceae | <i>Leptorhynchos squamatus</i>                  | Scaly Buttons              |        |      |     | 1m             |
| Asteraceae | <i>Leptorhynchos squamatus subsp. squamatus</i> | Scaly Buttons              |        |      |     |                |
| Asteraceae | <i>Leptorhynchos tenuifolius</i>                | Wiry Buttons               |        |      |     | 1              |
| Asteraceae | <i>Leucochrysum albicans s.l.</i>               | Hoary Sunray               |        |      |     | 1m             |
| Asteraceae | <i>Leucochrysum albicans s.s.</i>               | Hoary Sunray               |        |      |     | 1m             |
| Asteraceae | <i>Leucochrysum albicans subsp. albicans</i>    | Hoary Sunray               |        |      |     |                |
| Asteraceae | <i>Olearia lirata</i>                           | Snowy Daisy-bush           |        |      |     | 1m             |
| Asteraceae | <i>Ozothamnus ferrugineus</i>                   | Tree Everlasting           |        |      |     | 1              |
| Asteraceae | <i>Ozothamnus obcordatus</i>                    | Grey Everlasting           |        |      |     | 1m             |
| Asteraceae | <i>Senecio biserratus</i>                       | Jagged Fireweed            |        |      |     | 1m             |
| Asteraceae | <i>Senecio campylocarpus</i>                    | Floodplain Fireweed        |        |      | En  | 3 (4)          |
| Asteraceae | <i>Senecio glomeratus</i>                       | Annual Fireweed            |        |      |     | 1              |

| Family        | Scientific Name                                    | Common Name                   | Origin | EPBC | FFG | Banyule Status |
|---------------|----------------------------------------------------|-------------------------------|--------|------|-----|----------------|
| Asteraceae    | <i>Senecio glomeratus</i> subsp. <i>glomeratus</i> | Annual Fireweed               |        |      |     |                |
| Asteraceae    | <i>Senecio hispidulus</i> s.l.                     | Rough Fireweed                |        |      |     |                |
| Asteraceae    | <i>Senecio hispidulus</i> s.s.                     | Rough Fireweed                |        |      |     | 1              |
| Asteraceae    | <i>Senecio minimus</i>                             | Shrubby Fireweed              |        |      |     | 1              |
| Asteraceae    | <i>Senecio phelleus</i>                            | Stony Fireweed                |        |      |     |                |
| Asteraceae    | <i>Senecio prenanthoides</i>                       | Beaked Fireweed               |        |      |     | 1m             |
| Asteraceae    | <i>Senecio psilocarpus</i>                         | Swamp Fireweed                |        | VU   |     |                |
| Asteraceae    | <i>Senecio quadridentatus</i>                      | Cotton Fireweed               |        |      |     | 1              |
| Asteraceae    | <i>Senecio runcinifolius</i>                       | Tall Fireweed                 |        |      |     | 4              |
| Asteraceae    | <i>Senecio tenuiflorus</i> s.l.                    | Slender Fireweed              |        |      |     | 1              |
| Asteraceae    | <i>Solenogyne dominii</i>                          | Smooth Solenogyne             |        |      |     | 1              |
| Asteraceae    | <i>Solenogyne gunnii</i>                           | Hairy Solenogyne              |        |      |     | 4              |
| Asteraceae    | <i>Stuartina muelleri</i>                          | Spoon Cudweed                 |        |      |     | 1              |
| Asteraceae    | <i>Vittadinia muelleri</i>                         | Narrow-leaf New Holland Daisy |        |      |     | 1m             |
| Asteraceae    | <i>Xerochrysum palustre</i>                        | Swamp Everlasting             |        | VU   | Cr  | 2 (3)          |
| Asteraceae    | <i>Xerochrysum viscosum</i>                        | Shiny Everlasting             |        |      |     | 2 (4)          |
| Boraginaceae  | <i>Hackelia suaveolens</i>                         | Sweet Hound's-tongue          |        |      |     | 1m             |

## Banyule's Native Fauna Records

## Recorded Native Fauna Species in Banyule

*Practical Ecology – Biodiversity Benchmarking Report, March 2024 and internal review collaboration.*

Records are compiled from Victorian Biodiversity Atlas (ALA), Australian Living Atlas (ALA), E-bird, Karl Just Management Plan and Fauna Surveys, Doug Frood Management Plan and local Environmental Friends Group Records.

### **FFG Listing**

**Vu** = Vulnerable

**En** = Endangered

**Cr** = Critically Endangered

### **EPBC Listing**

**VU** = Vulnerable

**EN** = Endangered

**CR** = Critically Endangered

### **International Treaty**

**B** = Bonn Convention

**C** = CAMBA (Agreement between the Government of Australia and the Government of the People's Republic of China for the Protection of Migratory Birds and their Environment).

**J** = JAMBA (Agreement between the Government of Australia and the Government of Japan for the Protection of Migratory Birds in Danger of Extinction and their Environment).

**R** = ROKAMBA (Agreement between the Government of Australia and the Government of Republic of Korea on the Protection of Migratory Birds and their Environment).
