Environmentally Sensitive Areas

Dogs are prohibited from entering environmentally sensitive areas as designated by signage in the following reserves:

a) Brown's Nature Reserve, Greensborough (as per existing covenant);
b) Banyule Flats Wetland and Banyule Billabong;
c) Horseshoe, Reedy and Bailey Billabongs in Wilson Reserve;
d) Warringal Swamplands;
e) Yandell Reserve (within already fenced areas);
f) St Helena Bush Reserve (within already fenced areas); and
g) Rockbeare Park.

For environmental reasons, dogs must be on-lead by means of a chain, cord, leash, or other suitable restraint mechanism when in areas designated by signage in the following reserves:

a) Banyule Flats (Wetland & Banyule Billabong);
b) Wilson Reserve (Horsehore, Reedy and Bailey Billabongs);
c) Warringal Swamplands;
d) Harry Pottage Reserve (SE of path);
e) St Helena Bush Reserve (outside currently fenced areas);
f) Yandell Bush Reserve (outside currently fenced areas);
g) Dalvida Bush Reserve (whole reserve);
h) Binnak Park Wetlands (wet area only);
i) Rockbeare Park; and
j) Darebin Creek Reserve.
