# Our Valued Community Assets and Facilities

### Strategic Objective

As custodians of our community, assets, facilities and services, we work to ensure that they are affordable, sustainable, evenly distributed, safe and accessible for all ages and abilities and designed to provide meaningful experiences and connections.

## Strategies to strengthen our Valued Community Assets and Facilities

1. Strategically plan, build and renew community assets and facilities that meet current and future service needs and instil a sense of civic pride.
2. Develop community assets and facilities that are environmentally sustainable, innovative, safe and continue to be of appropriate standard.
3. Design and build facilities that are multipurpose and encourage community connections.
4. Promote, design and deliver assets that provide spaces for the community to connect.
5. Manage Council's commercial assets, leases and contracts to deliver sustainable, accessible and inclusive outcomes for the community.
6. Actively seek partnerships and collaborate with other organisations to build and utilise community infrastructure.
